

## Buypass Web Privacy Policy

**Objectives**—Buypass AS has created this security and privacy statement in order to document and communicate its commitment to doing business with the highest ethical standards and appropriate internal controls.

**Explicit Information Gathering**—You can examine our entire web site without providing any information whatsoever. Our web site's contact form requires users to give us contact information (e-mail address and name). This information is used to provide information to those who inquire about our products and services, to ship orders, to bill orders, and to handle related business matters. This information is also used to get in touch with customers when necessary. From time to time, the information gathered through this site will be used to notify you about products and services that we think will be of interest to you. Some Buypass services, which can be started from our website, will log the IP-address. These services requires authentication.

**Covert Information Gathering**—Our site does not covertly capture information regarding the specific activities of any particular user. We do not have any arrangements with any other sites to track or monitor user activities on the Web. Our site does, however, produce reports that permit us to view your activity on our site in anonymous or aggregated form. We do not use cookies, web bugs, or any other active content mechanism to capture or maintain information about users without their prior consent. The only personal information that we capture has been specifically submitted to us through the contact form. We do not store any persistent information on your computer.

**Information Usage**—When you disclose personal information to us, that is where it stays. The only exception involves disclosure to the government according to normal business practice. We do not sell, rent, trade, lend, or otherwise transfer such personal information to affiliates, subsidiaries, sister companies, holding companies, parent companies, strategic partners, or any other organization.

**Links to Other Sites**—This site contains a number of links to other sites. Buypass AS is not responsible for the security or privacy practices of these sites, the products or services offered by these sites, or the content appearing at these sites. Buypass AS does not endorse any of the products or services marketed at these other sites.

**Security Measures**—Our site is protected with a variety of security measures such as change control procedures, passwords, and physical access controls. We also employ a variety of other mechanisms to ensure that data you provide is not lost, misused, or altered inappropriately. These controls include data confidentiality policies and regular database backups. Our site is regularly scanned for vulnerabilities and other potential weaknesses.

**Contacting Us**—With respect to this web site, there are two options regarding your personal information. If you wish to contact us about our products or services, then you need to

disclose your contact information so that we can service your request, or if you do not wish to contact us about our products or services, we will have gathered no information about you, and you do not need to take further action.. If you wish to remove your name and related information from our database, we will promptly take action to comply with your request. We are pleased to process address error correction notices and address change requests through any of the following channels:
